Dear NSFAS Appeal Committee,

**Subject: NSFAS Appeal for Reconsideration of Funding**

My name is John Harley, and I am a dedicated student at UNISA, currently enrolled in [Your Course Name]. My student ID number is 12345678[Your ID Number]. I am writing to appeal the recent decision to withdraw my NSFAS funding due to unforeseen circumstances. I genuinely need your support to continue my studies and achieve my academic goals.

Recently, I have faced significant financial challenges, which have made it impossible for me to cover my tuition fees and other educational expenses without financial aid. Despite these difficulties, I remain fully committed to my education and have been striving to maintain good academic standing. I believe that, with the necessary support, I can continue to excel in my studies and make meaningful contributions to my field in the future.

I kindly request that the NSFAS committee reconsider my application for funding. The financial assistance provided by NSFAS is crucial for me to complete my studies and pursue a successful career. I am eager to

overcome these challenges and remain focused on my academic and professional growth.

Thank you for taking the time to consider my appeal. I sincerely appreciate any support you can provide during this difficult time.

Yours faithfully,

*John Harley*
